Disaster-Resilient Housing & Economic Development

featuring

ELIZABETH HAUSLER

Ashoka Fellow Elizabeth Hausler is the founder and CEO of Build Change, an award-winning organization with extensive experience in disaster-resilient housing reconstruction. An international advocate for homeowner-driven reconstruction, Build Change has been active in the long-term rehabilitation efforts of Aceh, Haiti, and Sichuan. Elizabeth will be sharing insights from her team's experiences in these major post-disaster initiatives which may contribute to safer and more effective rebuilding in Yolanda-affected areas.

Elizabeth is a skilled brick, block, and stone mason with a B.S. in General Engineering from the University of Illinois' Urbana-Champaign campus, an M.S. in Environmental Science from the University of Colorado, and an M.S and Ph.D. in Civil Engineering from the University of California, Berkeley.

ABOUT ASHOKA

ASHOKA is the largest global association of leading social entrepreneurs. Men and women with system-changing solutions for the world's most urgent social problems. Since 1981, Ashoka has helped launch over 3,000 leading social innovators as Ashoka Fellows, providing them with living stipends, professional support and access to a powerful global network of peers in 70 countries.
